Women on Wellness Retreat

"If we, the women of West Virginia, control our own wellness maintenance program on an individual basis, we will change the state of WV."

July 26, 2008
8:00am–5:00pm
Heston Farm, Fairmont, WV

Women on Wellness is an inspiring, fun, active session that enables participants to take responsibility for their wellness and motivates action to move towards a viable health maintenance plan for life.
